- Notate your solution by bubbling moves below.
- Face Moves are clockwise. x, y, and z follow R, U, and F. M, E, and S follow L, D, and F.
- ' inverts a move; 2 doubles it. w makes a face turn into double-layer; [ ] into a cube rotation.
- To delete moves, erase and replace them thoroughly or bubble x in the corresponding rows.
- You have 1 hour to find a solution. Your solution length will be counted in HTM.
- To continue past 50 moves, start over at 1. on a new page. Number your pages.
